SCHEDULE OF EVENTS

GARCA's Annual Convention provides a unique opportunity for Georgia's roofing industry to get together to share key issues impacting the roofing industry, hear from top industry experts, and network with friends and colleagues.

■ THURSDAY, JULY 21

1:00PM – 5:00PM Registration is open
3:00 PM – 5:00 PM Board Meeting
5:30PM – 6:30PM Welcome Reception
Open Night for Dinner

■ FRIDAY, JULY 22

7:30AM – 8:30AM Breakfast Buffet
8:30AM – 8:45AM Welcome: Carson Finney, GARCA President
8:45AM – 9:45AM Panel Discussion: Material and Supply Chain Issues - 2022 and Beyond

The roofing industry has experienced a supply chain disruption that's unlike any other in recent history. Most predictions say it's going to be several more months before the situation normalizes. Lockdowns that essentially stopped buying and manufacturing processes during the pandemic, continue to cause issues today. Both residential and commercial contractors are experiencing delays in project timelines, workforce shortages and facing new health/safety protocols.

GARCA has put together a panel of industry experts of roofing manufacturers to provide an update on the issues facing the material shortages and what their plans are for easing the strain on roofing contractors. This hour session will give contractors the knowledge they need to plan accordingly until issues are resolved. The panel discussion will be followed by an audience Q&A session.

9:45AM – 10:30AM Safety Management Systems vs Safety Programs: Daniel James, Account Executive, STC-Safety Training & Compliance, LLC

The health and safety of employees is the foundational element for any business. While many companies put in place standard safety programs in order to be compliant, few organizations build and sustain quality Safety Management Systems that are strategic and continually improve the overall working environment. Executives and Leaders will learn how to:

- Understand Safety Management Systems – No, we are not just talking about safety software!
- Focus on performance – Outcomes over Activities

- Standardize the Safety processes – What's the framework?
- Use data to make decisions – What are the must-have tools?
- How to level up the discussion – Safety is a bi-product of an Awesome Culture
- Promote accountability – What should you expect from field leadership? See Safety as a profit center or a line of defense for other profit centers.

Daniel James serves as the Senior Account Executive for STC Safety where he leverages his 21-years of industry experience and passion for helping people. Daniel assists his well-known commercial construction and manufacturing clientele in achieving cultural excellence through the creation and implementation of sustainable safety management systems across the country.

10:30AM – 10:45AM Break
10:45AM – 11:45AM Ask the Attorney: Stephen Phillips, Philip Siegel and Leanne Prybylski

HPSS Law has been providing legal services to the construction industry for over 35 years. Partners Philip Siegel and Stephen Phillips will be on hand to field questions from both low and steep slope contractors. So, come prepared with your questions.

Stephen M. Phillips is a senior partner at the firm. His practice focuses on legal issues pertaining to the construction industry and particularly the commercial roofing industry. He has gained national recognition concerning legal issues affecting the roofing industry.

Philip J. Siegel is a Partner and shareholder with the firm. His practice focuses primarily in the areas of labor/employment law, including defense of OSHA citations, contract consulting, and construction litigation, including representation of general contractors, subcontractors and suppliers, all on a national basis.

C. Leanne Prybylski is an attorney with the firm. Ms. Prybylski's practice focuses on legal issues pertaining to construction, particularly in the commercial roofing industry. For over 10 years, she has been representing contractors in a variety of construction-related matters, including disputes involving claims of delay, nonpayment, defective work, and other breach of contract and tort claims.

2:00PM – 5:00PM Cornhole Tournament on the Beach
6:00PM – 7:00PM President's Reception
Open Night for Dinner

GARCA

GEORGIA ROOFING CONTRACTORS ASSOCIATION

WE LOOK FORWARD TO SEEING YOU.

SPONSORSHIPS

If you have several folks attending from your company, you may want to take advantage of one of these sponsorship packages. As a nonprofit, GARCA depends on the generosity of our members to fund future programs.

Diamond \$3500

(includes 3 couples or 3 attendee registrations)

Platinum.....\$2,500

(Includes 2 couples or 2 attendee registrations)

Gold\$1,500

(Includes 1 couple registration)

The following sponsorships require a separate individual of couples registration:

Silver \$750

Corn Hole \$750

Kids Events \$500

Silent Auction Cash Donation \$150

SILENT AUCTION

In 2021, the silent auction was a tremendous success. We believe we have the ability to top that success but we need your help. We are looking for unique and desirable items to auction off. The more desirable the item, of course, the more interest it generates.

Our previous goal of having 20 quality items to auction off was met and we are hoping to have at least that many again this year. Call us at 770-615-3751 if you would like to donate an item or have us do the shopping for you!

QUESTIONS?

Call 770-615-3751 or email info@garca.org

Established in 1953, GARCA is dedicated to raising Georgia roofing industry standards through networking, education, and voluntary self-regulation, while increasing public confidence and building a solid foundation for the next generation of workers.
